PORTER AVENUE SHORT TERM LANE CLOSURE

On Monday, November 10, 2014, Silver Star Construction Company will close the southbound lane of Porter Avenue north of Tecumseh Road. The lane closure will allow the contractor to install the road improvements for the Little River Trails development. Flaggers will be in place to direct traffic through the construction zone. Drivers are urged to use an alternative route, as delays could be expected. The lane closure will begin at 7:00 A.M. and should be completed by the end of day on Monday, November 10.

Additional questions may be directed to Mr. Josh Malwick, City of Norman Capital Projects Engineer, at (405)366-5454 or Josh.Malwick@NormanOK.gov.
